To the dLACE Selection Team,

As Superintendent of schools (*or official designee*), I am aware of the benefits of the dLACE program and full district participation.

Our district will designate a leadership team to lead district-wide school climate and character education planning.

I understand that our team leaders will attend four regional training sessions and work with CharacterPlus staff to establish a plan for in-district support, including an asset audit, climate survey, and training.

We look forward to the collaboration and learning.

Sincerely,

Name and Title
