A SNAPSHOT OF OUR PROGRAMS

THE CHARACTERPLUS WAY® (CPW)

CPW is an evidence-based, three-year process resulting in whole-school transformation by improving students' pro-social behaviors, which helps develop healthy, positive relationships among peers and adults as well as increased academic success. Students and staff also demonstrate core values (respect, integrity, perseverance) and a strong sense of safety and belonging.

TEACHER ACADEMY IN CHARACTER EDUCATION (TACE)

TACE is a year-long cohort led by experts in the field of SEL and Character Education. Teachers are empowered with an understanding of why character education is critical. They are also given the tools they need to transform their classrooms into collaborative learning communities where everyone is both valued and challenged academically.

EQUITY & JUSTICE ACADEMY IN CHARACTER EDUCATION (EJACE)

EJACE is a year-long cohort experience designed for school leadership and student teams to look deeply at elements of school culture through the lens of equity and justice, developing outcomes where students, family, and staff members feel safe, welcomed, and valued.

ATHLEADERSHIP ACADEMY IN CHARACTER EDUCATION (AACE)

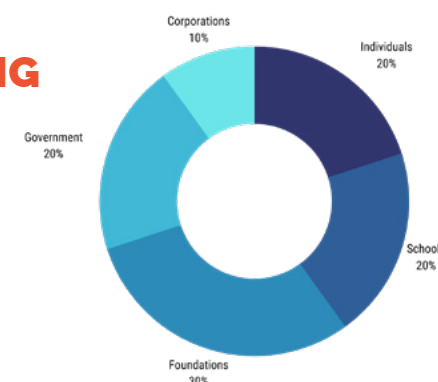

AACE provides character education skill-building for NCAA and high school athletes. Each participating school selects student-athletes from every sport to attend training and become AthLEADers who help guide their teammates to success on and off the playing field.

DISTRICT LEADERS ACADEMY IN CHARACTER EDUCATION (dLACE)

dLACE develops Chief Character Officers for school districts. These leaders learn to use character education essentials as part of school improvement practices district-wide to ensure a comprehensive, intentional, and proactive approach to student development.
